## Dear Kindergarten and First Grade Families:

After an incredible second year of our Hebrew Immersion pilot program, we are excited to offer this program to our first grade families in addition to our kindergarten students. Our children who choose the Hebrew track classes will have the wonderful opportunity to **learn** and **explore** their Jewish world in **Hebrew!** Our Kindergarten class will meet on Sundays from 9:15 a.m.-11 a.m. and our first grade class will meet on Sundays from 9:15 a.m.-11 a.m. and Wednesdays from 4-6 p.m.

Through engaging, hands-on, interactive experiences, our students will develop conversational Hebrew skills in addition to the other curricular goals of the **LinC Mehina Program**. These classes will be designed for the student with no conversational Hebrew background, although students who have attended the Hebrew Immersion program in the Goldsmith Early Childhood Education Center or have some conversational Hebrew skills will also find this program rewarding. Our classes will be taught by our fabulous faculty members who are fluent in Hebrew. *Our Hebrew Immersion program will not focus on Hebrew reading or writing during the Kindergarten year. Hebrew letters, simple words, and reading and writing will be introduced in our first grade immersion class.*
