Dear 8th and 9th Grade Students:

We are so happy that you have chosen to continue your Jewish learning in our Netivon High School program! These next few years will bring exciting opportunities for you to explore your Jewish identity and we are committed to providing classes and programs that will guide you through this exploration. We know that there are many new extra-curricular opportunities for you in 8th and 9th grade and we will work with you to balance those opportunities with the important experiences you will have in Netivon. If you have any questions about the program, please stop by our office or send me an email.

Get ready for a great year of learning!
